Contact us to speak to one of our Engineers Free of Charge

After discussing your problem, we will give you an estimate of the total cost of our solution and you can then decide if you wish to go ahead.

Be assured that you will be notified in advance if any estimated price will increase. If parts are required, we will discuss this with you and obtain your consent prior to purchase.

Pre-booked blocks of time for multiples of 5 hours are discounted by 20%

We will never charge you any more than we estimate

Remote Support

*£80 per hour for the first hour,
or part thereof
(Subsequent hours reduced to £70)*

*Please note that if you deliver
your equipment to our office you
will only be charged at our
remote support prices.*

On Site Assistance

*If you require an engineer on-site
to resolve your issues,
a call out fee may be applied, dependent
upon your location.*

*Please ask at the time of calling
for confirmation.*
